Ishita Bhattacharjee

IB MYP LEADERSHIP · DESIGN & TECHNOLOGY EDUCATION · GRADE LEVEL COORDINATOR

Hyderabad, India | 7654687102 / 9798226381 | ishitabhattacharjee48@gmail.com | linkedin.com/in/ishita-bhattacharjee-3a3984193

PROFILE

IB MYP educator and leader across IB, Cambridge (IGCSE) and CBSE schools, building toward IB DP Design Technology.

LEADERSHIP

MYP 3 Grade Level Coordinator and ManageBac implementation lead, on the Supportive IB Leadership Team. Part of the CIS/NEASC accreditation and IB evaluation work.

TEACHING & MENTORING

MYP Design and Mathematics at Sreenidhi International School. Mentor to teachers on pastoral care, technology and the Personal Project.

MAKING

Hands-on CAD, 3D printing, woodworking, electronics and IoT projects, taught through MYP Design.

RECOGNITION

Presidential Gold Medalist (M.Ed). UGC-NET-JRF awardee in Education.

PROFESSIONAL EXPERIENCE

Grade Level Coordinator (MYP 3) | MYP Design & Mathematics Teacher

Oct 2024 – Present

Sreenidhi International School (IB), Hyderabad

- **Grade coordination & pastoral care:** Oversee interdisciplinary learning and pastoral care for MYP 3. Lead advisory groups and coordinate teachers, advisors and families.
- **MYP Design (Years 1–5):** Teach through inquiry, the design cycle and real-world problem solving; guide ePortfolios and design student-facing criterion templates. Guided MYP 5 students to a 7 in the Design ePortfolio.
- **Faria ManageBac Implementation & Support Lead:** Run the platform behind unit planning, curriculum mapping, assessment and reporting, and support teachers in using it.
- **IB evaluation & accreditation:** Member of the committees for CIS and NEASC accreditation, IB programme evaluation and the IB Programme Development Plan: contributing to the self-study, gathering evidence and turning findings into goals and actions.
- **Personal Project:** Supervisor and moderator; mentor to the teachers who supervise students.
- **Teacher mentoring:** Mentored 80+ teachers on pastoral care, technology-enabled teaching and the Personal Project through workshops, coaching and classroom support.
- **Vertical alignment:** Mapping IT skills from MYP to DP and aligning MYP Design with the 2027 DP Design Technology syllabus.
- **STEAM & Makerspace:** Member of the team that established the school Makerspace; lead staff PD in design thinking, robotics, Arduino and web development.
- **IGNITE:** Co-host and operations team lead for an interschool hackathon and makeathon: event structure, rapid-prototyping briefings, logistics across schools and evaluation of solutions.
- **Also:** Teach MYP Mathematics through inquiry and real-world contexts; UNESCO-SDSN Global Schools Advocate.

Mathematics Lead & SEL Coordinator

May 2023 – Sep 2024

AIMEE International School (Cambridge IGCSE), Vijayawada

- **Department leadership:** Led Mathematics for Grades VIII–X, ensuring consistency in curriculum delivery, assessment standards and academic tracking.
- **Assessment & data:** Oversaw examination planning, performance analysis, intervention planning and academic reporting.
- **Wellbeing:** Designed and implemented the school's Social and Emotional Learning programme and coached teachers to deliver it.
- **Innovation & mentoring:** Organised STEAM workshops; as a school ambassador, mentored educators through PD workshops and one-to-one coaching.

Content Developer & Educator

Apr 2022 – Apr 2023

Birdsong Education Pvt. Ltd., Vijayawada

- **Programme development:** Managed academic programme development across partner schools, including Math'o'logic, a design-based mathematics enrichment programme implemented in 8 institutions.
- **Teacher training & content:** Developed teacher-training modules and blended-learning frameworks; led a team producing self-paced learning materials and authored a mindfulness-focused Students' Journal adopted across schools.

EDUCATION

PG Diploma in Residential Architecture
Bangalore School of Design and Technology · Pursuing, until May 2027

M.Ed
Pondicherry University, 2018 · CGPA 9.8 · Presidential Gold Medalist

UGC-NET-JRF in Education
National Eligibility Test with Junior Research Fellowship, 2018

B.Ed (Mathematics Education)
Regional Institute of Education (NCERT), Bhubaneswar, 2016 · First Division with Distinction

B.Sc Applied Mathematics with Computer Science
Central University of Jharkhand, 2014 · First Division

CORE STRENGTHS

- IB Standards & Practices
- MYP Design & assessment
- Personal Project supervision
- CIS & NEASC accreditation
- Interdisciplinary learning
- Pastoral care & wellbeing
- Teacher mentoring
- ManageBac

TECHNICAL SKILLS

- Fusion 360 CAD (certified)
- 3D printing (NITTR)
- Woodworking & fabrication (CBIT, 2026)
- Electronics, Arduino & IoT projects
- Design thinking

CERTIFICATIONS

IB Category 2, MYP Design
Autodesk Fusion 360
3D Printing for Educators — NITTR
Carpentry & Woodworking — CBIT (2026)
NASSCOM Certified STEM Educator
Apple Teacher
Leadership Skills — IIM Ahmedabad
Education Leadership — IIT Kharagpur
CTET Paper I & II
Certificate in Guidance — IGNOU
PG Diploma, Professional Communication (Gold Medalist)

PROFESSIONAL EXPERIENCE (CONTINUED)

Trained Graduate Teacher (Mathematics)

Jun 2018 – Sep 2021

Delhi Public School (CBSE), Vijayawada

- **Teaching:** Taught CBSE Mathematics to 75+ students annually across middle and secondary grades.
- **Student support:** Designed performance-improvement plans for underperforming students with parents and school administration.
- **Academic operations:** Contributed to curriculum planning, examination preparation, timetabling and student support systems.

Research Project Lead — Metacognition & Problem Solving

Jun 2017 – Jun 2018

Pondicherry University

- Led research on metacognitive strategies in secondary problem solving; designed interventions and ran teacher workshops on reflective practice.

MENTORSHIP & WIDER LEADERSHIP

- **Mentor of Change, NITI Aayog's Atal Innovation Mission:** Mentoring student innovators and Atal Tinkering Lab teams across India on design thinking and prototyping, from ideation to working prototype.
- **Innovation & Design Mentor, Atal Community Innovation Centre (ACIC), CBIT, Hyderabad:** Guiding founding teams from concept to prototype through problem validation, iterative design and technical feasibility review.
- **Event Coordinator, TEDx Bharathinagar (Jun–Nov 2022):** Speakers, online technical platform and post-event reporting.
