Ishita Bhattacharjee

IB MYP LEADERSHIP · DESIGN & TECHNOLOGY EDUCATION · GRADE LEVEL COORDINATOR

Hyderabad, India | 7654687102 / 9798226381 | ishitabhattacharjee48@gmail.com | linkedin.com/in/ishita-bhattacharjee-3a3984193

PROFILE

IB MYP educator and leader with 9 years across IB, Cambridge (IGCSE) and CBSE schools, combining programme leadership with hands-on design and technology expertise. At Sreenidhi International School, I serve on the Supportive IB Leadership Team and hold several leadership roles:

- **Grade Level Coordinator (MYP 3):** oversees interdisciplinary learning and pastoral care for the grade, coordinating its teachers, advisors and families.
- **Personal Project Supervisor & Moderator:** leads the school's MYP Personal Project, standardises assessment and mentors the teachers who supervise students.
- **IB evaluation & accreditation:** member of the committees for CIS and NEASC accreditation, IB programme evaluation and the IB Programme Development Plan.
- **Design & technology:** teaches MYP Design across Years 1·5 and brings certified skills in Fusion 360 CAD, 3D printing and woodworking.
- **Faria ManageBac Implementation & Support Lead:** runs the platform behind unit planning, curriculum mapping, assessment and reporting.

A **Presidential Gold Medalist** (M.Ed) and **UGC-NET-JRF awardee in Education**, with IB Category 2 training in MYP Design. I am building toward IB DP Design Technology and the vertical alignment of design learning from MYP to DP.

CORE STRENGTHS

IB Standards & Practices | MYP Design & assessment | Personal Project Supervisor & Moderator | CIS & NEASC accreditation | Interdisciplinary learning | Pastoral care & wellbeing | Teacher mentoring | ManageBac | Fusion 360 CAD | 3D printing | Woodworking & fabrication | Arduino & robotics | Design thinking

IB EVALUATION & ACCREDITATION

- **CIS & NEASC accreditation:** Member of the school committee working towards CIS and NEASC accreditation: contributing to the self-study against the accreditation standards, gathering and organising evidence of practice, and preparing for the visiting team.
- **IB programme evaluation:** Member of the IB evaluation team: reviewing the school's MYP practice against the IB Programme Standards and Practices, collecting evidence from units, classrooms and assessment, and contributing to the self-study.
- **Programme Development Plan:** Member of the team building the school's IB Programme Development Plan, turning evaluation findings into goals, actions, owners and timelines.

MYP LEADERSHIP EXPERIENCE

- **Personal Project:** As the school's Personal Project Supervisor and Moderator, oversee the project process, standardise teachers' assessment against the MYP criteria and moderate final marks; mentor teachers new to supervising projects.
- **Grade coordination:** As Grade Level Coordinator for MYP 3, oversee interdisciplinary learning across subject groups, including joint planning, assessment and approaches to learning (ATL) skills.
- **Pastoral care:** Lead advisory groups, monitor students' academic and personal progress, and coordinate early support with subject teachers and families.
- **Assessment & ePortfolios:** Guide MYP Design students' ePortfolios across Years 1–5 and design student-facing criterion templates that make assessment expectations clear.
- **Curriculum & systems:** As ManageBac Implementation & Support Lead, set up and maintain unit planners, curriculum maps, assessment records, portfolios and report cards, and support teachers in using them.
- **Vertical alignment:** Working on the vertical mapping of IT skills from MYP to DP and aligning MYP Design with the 2027 DP Design Technology syllabus.
- **Teacher mentoring:** Mentor teachers on pastoral care, technology-enabled teaching and the Personal Project; have mentored 80+ teachers through workshops, coaching and classroom support.

DESIGN & TECHNOLOGY EXPERTISE

- **CAD — Autodesk Fusion 360 (certified):** Parametric modelling, technical drawing conventions and multi-part assemblies; used to take MYP Design students from freehand sketches to precise, testable 3D models.
- **3D printing — NITTR certificate:** FDM printing, slicing settings (layer height, infill, supports), calibration and troubleshooting; applied in class so students turn CAD models into physical prototypes.
- **Woodworking & fabrication:** 6-week hands-on carpentry and woodworking training at CBIT, Hyderabad (2026): joinery, hand and power tools, timber properties and workshop safety, building functional prototypes from raw stock.
- **Staff training in technology:** Designed and ran PD for teachers in Arduino and embedded systems (circuits, sensors and actuators, line-following robots) and HTML/CSS web development.
- **IGNITE:** Co-host and operations team lead for IGNITE, an interschool hackathon and makeathon: designed the event structure, briefed teams on rapid prototyping, coordinated logistics across schools and evaluated solutions.

PROFESSIONAL EXPERIENCE

Grade Level Coordinator (MYP 3) | MYP Design & Mathematics Teacher
Oct 2024 – Present

Sreenidhi International School (IB), Hyderabad

- **Leadership team:** Member of the Supportive IB Leadership Team, working with school leaders on curriculum, pedagogy, instructional coaching, IB evaluation and accreditation.
- **Pastoral care & interdisciplinary learning:** Lead the pastoral care of the MYP 3 cohort and oversee interdisciplinary learning across subject groups, giving students varied ways to engage with and connect their learning.
- **MYP Design:** Teach MYP Design across Years 1–5 through inquiry, the design cycle and real-world problem solving; guide students' ePortfolios.
- **MYP Mathematics:** Teach MYP Mathematics through an inquiry-based, problem-solving approach, using real-world contexts and differentiated materials.
- **Personal Project:** School Personal Project Supervisor and Moderator, and Personal Project mentor for teachers.
- **ManageBac Implementation & Support Lead:** Lead the implementation of Faria's ManageBac and support teachers in using it for planning, assessment, portfolios and reporting.
- **STEAM & Makerspace:** Member of the team that established the school Makerspace; lead staff PD in design thinking, robotics, Arduino and web development; coordinate Education Outside the Classroom programmes.
- **Global citizenship:** Integrate the UN Sustainable Development Goals into student-led projects as a UNESCO-SDSN Global Schools Advocate.

Mathematics Lead & SEL Coordinator
May 2023 – Sep 2024

AIMEE International School (Cambridge IGCSE), Vijayawada

- **Department leadership:** Led Mathematics for Grades VIII–X, ensuring consistency in curriculum delivery, assessment standards, academic tracking and instructional quality.
- **Assessment & data:** Oversaw examination planning, student performance analysis, intervention planning and academic reporting.
- **Wellbeing:** Designed and implemented the school's Social and Emotional Learning programme and coached teachers to deliver it.
- **Culture of innovation:** Organised STEAM workshops that built design thinking among students and staff.
- **Teacher mentoring:** As a school ambassador, mentored educators through structured PD workshops, one-to-one coaching and classroom support.

Academic Content Lead & Educator
Apr 2022 – Apr 2023

Birdsong Education Pvt. Ltd., Vijayawada

- **Programme development:** Managed academic programme development across partner schools, including Math'o'logic, a design-based mathematics enrichment programme implemented in 8 institutions.
- **Teacher training:** Developed teacher-training modules and blended-learning frameworks for partner schools.
- **Content:** Led a team producing self-paced learning materials; authored a mindfulness-focused Students' Journal adopted across schools.

Trained Graduate Teacher (Mathematics)
Jun 2018 – Sep 2021

Delhi Public School (CBSE), Vijayawada

- **Teaching:** Taught CBSE Mathematics to 75+ students annually across middle and secondary grades.
- **Student support:** Designed performance-improvement plans for underperforming students with parents and school administration.
- **Academic operations:** Contributed to curriculum planning, examination preparation, timetabling and student support systems.

Research Project Lead — Metacognition & Problem Solving
Jun 2017 – Jun 2018

Pondicherry University

- Led research on metacognitive strategies in secondary problem solving; designed interventions and ran teacher workshops on reflective practice.

MENTORSHIP & WIDER LEADERSHIP

- **Mentor of Change:** NITI Aayog's Atal Innovation Mission: mentoring student innovators and Atal Tinkering Lab teams across India on design thinking and prototyping, from ideation to working prototype.
- **Innovation & Design Mentor:** Atal Community Innovation Centre (ACIC), CBIT, Hyderabad: guiding founding teams from concept to prototype through problem validation, iterative design and technical feasibility review.
- **Event Coordinator:** TEDx Bharathinagar (Jun–Nov 2022): speakers, online technical platform and post-event reporting.

EDUCATION & DISTINCTIONS

Presidential Gold Medalist

Master of Education, Pondicherry University · CGPA 9.8

UGC-NET-JRF in Education

National Eligibility Test with Junior Research Fellowship, 2017

M.Ed
Pondicherry University, 2018 · CGPA 9.8 · Presidential Gold Medalist

B.Ed (Mathematics Education)
Regional Institute of Education (NCERT), Bhubaneswar, 2016 · First Division with Distinction

MA Economics
IGNOU, 2021 · First Division

B.Sc Applied Mathematics, with Computer Science
Central University of Jharkhand, 2014 · First Division

TRAINING & CERTIFICATIONS

IB Category 2, MYP Design · Autodesk Fusion 360 · 3D Printing for Educators — NITTR · Carpentry & Woodworking — CBIT (2026) · NASSCOM Certified STEM Educator · Apple Teacher · Leadership Skills — IIM Ahmedabad · Education Leadership — IIT Kharagpur · CTET Paper I & II · Certificate in Guidance — IGNOU · PG Diploma, Professional Communication (Gold Medalist)
